A weekly roundup for shopping and doing business locally!

## Zoey's Downtown is ready for Back to School.

As the last few weeks of summer dwindle, Zoey's Downtown is filling up with essential merchandise for students heading back to school. Items that are both fun and functional for students from kindergarten to college. Do not forget football! Zoey's private label and gourmet food lines are perfect for tailgating or just watching the game at home. As always you will find items you love to gift and keep.

Consuela is a fashion and lifestyle brand of purses, totes, and wallets with vibrant colors and designs that inspire individuals to find the joy in life's journey. "These bags are versatile and the perfect combination of style and durability," Janan Downs explains. Save the Girls is a purse company with a unique design which allows you to text, answer calls and other smartphone functions while still in your purse! You can carry your phone with you everywhere, in a safe, fashionable purse. "These are ideal for students trying to juggle books, laptop, phone, and class supplies," Janan added.

Another popular back to school favorite is the Corkcicle line of lunch bags, tumblers, and canteens. Available in a variety of colors, patterns and shapes to fit individual preference and style. Great for

school or office to keep beverages hot or cold. Corkcicle is reusable and will keep you hydrated without the expense and waste of plastic bottles.

Whether you are having a football party or tailgating at the game, you will find just what you need. Collegiate flags are always a must for football season and Zoey's Downtown is stocked. Not only will you find the usual Auburn and Alabama, but many of the other Southern teams. Because Hartselle is home to many transplant families from other states, you will find Univ. of Tennessee, Florida State and Univ. of Florida, LSU, Georgia, Mississippi State and Ole Miss, Univ. Kentucky and Univ. of Arkansas. If one of these teams is your favorite, don't hesitate, because they tend to sell out quickly. Be sure to shop the huge selection of Seasonal and Monogram Flags.

Gourmet food lines have always been a staple at Zoey's Downtown. You will find a nice selection of Capt. Rodney's famous Boucan Glaze and a multitude of other glazes including Garlic Glaze, Sweet Tea Glaze, Coffee Glaze and Mango Paradise Pepper Glaze. When at Zoey's make sure to pick up a few packets of Savory Seasonings that turn

plain ordinary crackers into flavorful treats that are real crowd pleasers. Zoey's private label foods offer over thirty different varieties and flavors, you can't help but find your family's favorite. Everything from pickled okra to pickled squash, Jams and hot jellies to ready to eat cobblers, and also specialty dips, relishes, and salsa. These are great for tailgating and family gatherings.

The customer friendly laser engraver is one thing that sets Zoey's Downtown apart from the rest. The slogan is "Grab It, Engrave It, and Go." It is that simple! Engraved items make perfect gifts. From personalized home decor to personal items, such as insulated drinkware and pad-folios to huge cutting boards and wooden spoons. Let us help you customize your next gift.

Janan Downs, owner of Zoey's Downtown, guarantees you will receive friendly customer service and complementary gift wrap on all Zoey's Downtown purchases. Janan and her staff can help you find the perfect gift for any person and for any occasion.
