Dear Sanger ISD Parents,

The afternoon of November 19, 2025, Sanger ISD was notified of a serious allegation involving a school district police officer and inappropriate conduct with a secondary student. The safety and well-being of our students is the District's utmost priority. The officer was immediately removed from duties and placed on administrative leave.

The District is actively assisting the City of Sanger Police Department in their investigation and has filed a report with the Texas Education Agency (TEA) as required by law. Due to laws and policies concerning confidentiality, and given the pending investigation, no further details can be shared at this time.

We urge the community to refrain from speculation, as it could impede law enforcement's investigation.

Sincerely,

Dr. Tommy Hunter
Superintendent
Sanger Independent School District
