-MEDIA INFORMATION RELEASE-

Possible Assault of Juvenile Case Update

October 01, 2024 – Investigators have obtained all known CCTV footage of the interaction between the adult and the juvenile males. The Investigator met with the juvenile's parent and conducted a full case review with her, including all available videos and witness statements.

After the complete case review, the juvenile's parent decided that although she does not support the actions taken towards her son by an adult, she believes that no criminal activity occurred and chose not to press charges.

Hickory Creek PD is collaborating with Denton ISD administration to provide them with any necessary information to assist in their internal review process.

The Hickory Creek Police Department's investigation into this incident is closed, and no arrests or charges are pending due to the non-prosecution decision made by the juvenile's parent.
