*Wren Baker  
Director of Athletics  
University of North Texas*

*Mr. Baker,*

*I hereby voluntarily resign my position with the University of North Texas, effective immediately.*

*It has been a privilege to be a part this football program. Thank you for the opportunity to coach a fine group of players.*

*I appreciate the support I have received from our community. At this time, I believe it is in my best interest to step down from my position to focus on my family and defending the allegations that have been made against me. I look forward to clearing my name. I value this organization and I don't want my upcoming legal battle to be a distraction to the players, coaches and University of North Texas Supporters.*
