-MEDIA INFORMATION RELEASE-

Hickory Creek Police Respond to Possible Assault of Juvenile

September 30, 2024 – The Hickory Creek Police Department has been made aware of content circulating on social media platforms depicting an encounter between an adult male, a juvenile male, and witnesses. We understand the sensitive nature of this content and are diligently pursuing our investigation into this incident. At this time, we will not be disclosing any names of involved parties.

The summary of the incident is as follows:

On Saturday, 09/28/2024, at approximately 1838 hours, Hickory Creek Police Department Officers responded to a 911 call and possible disturbance at the RaceTrac Gas Station (4320 FM 2181, Hickory Creek, TX 75065). The parties involved had left the original scene (Wal-Mart, 1035 Hickory Creek Blvd, Hickory Creek, TX) and relocated to the RaceTrac. One involved person left the scene before the officers' arrival.

Officers arrived on the scene and observed several individuals reporting that an adult male subject appeared to have assaulted a juvenile male (12 years old). Additionally, many witnesses were filming the incident with personal recording devices. Officers located and interviewed the witnesses and received conflicting statements about the incident. Officers spoke with the persons directly involved and began their preliminary investigation. On the scene, the preliminary investigation revealed insufficient probable cause to effect an on-site arrest. There were no immediately visible signs of assault, injury, or other evidence to support an offense had occurred. The parents of the juveniles were called to the scene, given the information available at the time, and had their children released to them.

This investigation is ongoing, and new information is being received. All parties involved have been positively identified and are cooperating with law enforcement. This will remain an active investigation until all evidence is collected and reviewed. Updates will be provided as the case develops.

If you have any additional information regarding this case, please get in touch with us at cid@hickorycreek-tx.gov.
