MEET BRANDON CHASE MCGEE

WE WON! THANK YOU, DENTON!

FUELED BY COMMUNITY

After years of diligently organizing in his community, Brandon Chase McGee knew now was the perfect time to step up and fight for a better Denton. This campaign and city council seat is for the loving people of Denton, not political parties or major corporations.

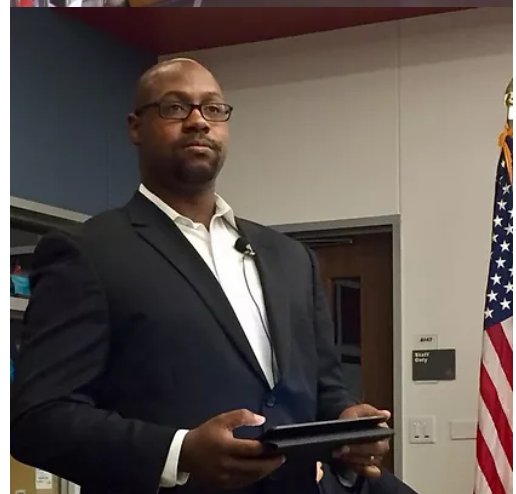

A lifelong leader, Brandon has never shied away from standing up for his community. He currently serves proudly on the city of Denton's Zoning Board of Adjustment and on the board of the New Leaders Council non-profit. In addition, Brandon is a graduate of the Congressional Black Caucus Institute, and formerly served on the board of Contemporary Ballet Dallas. He currently works full-time in the transportation industry.

Brandon is a proud graduate of both the University of North Texas and Collin College. He holds a Bachelor of Arts degree in History & Political Science.

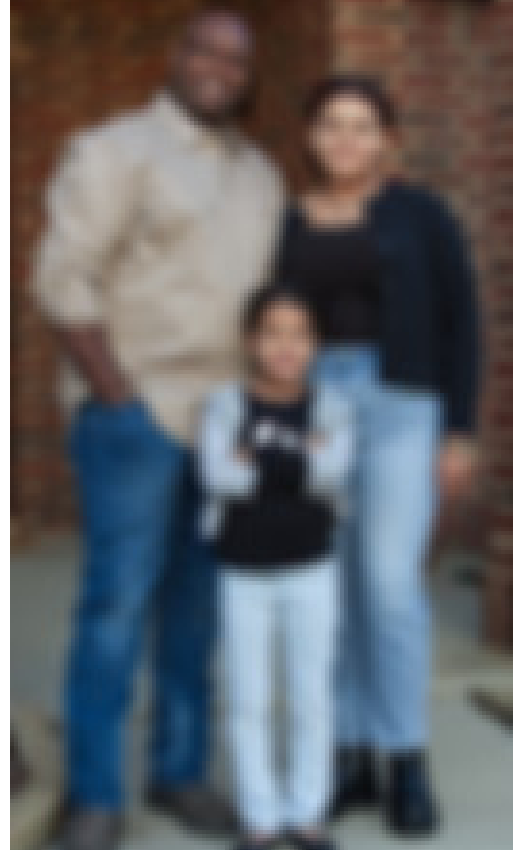

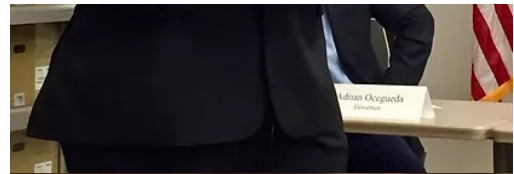

A VISION FOR THE FUTURE

What separates Brandon apart from other candidates for city council, is his vision for the future. He believes firmly that we cannot just make decisions for the next year or two, but instead make lasting decisions that will impact the future of Denton ten and twenty years down the line.

Launch - McGee For Denton Ci...

Mr. McGee believes a more perfect Denton is possible with a little work. A Denton where local government brings everyday, working citizens into the process. Every Dentonite deserves a voice on our city council, and as someone who has spent the majority of his life leading others, Brandon believes strongly he is that voice, and hopes to prove so on the campaign trail.

THE MCGEE FAMILY

Since relocating to Denton years ago, Brandon quickly fell in love with the city that has given him and his family so much.

He is a loving father to two young daughters, and is a man of faith. Mr. McGee attends local Tri-Cities Church of Christ every week, and lives on the philosophy of Psalms 37:3: "Trust in the Lord and do good."

In his free time, Brandon enjoys spending time in nature, whether it be hiking, traveling, or simply exploring state and national parks. As a gun owner, he also enjoys spending time at gun ranges. In addition, Mr. McGee is a lover of all things art, enjoys local art shows and concerts in Denton, and cheers on the UNT Mean Green at home games.
