

HANSEN
MONUMENTS

Thank you for all your help with my Dad's headstone. No matter how many times I changed my mind or had questions you always had smiles on your faces and helpful suggestions. The headstone looks beautiful and I couldn't be happier with it.

Our goal is to make a difficult time easier...

Nov. 20, 2015

Dear Evie:

Thank you so much for all the help. You, + the other at Hansen Monuments, made a horrible experience much easier! There are no words to express how much your kindness meant to us.
Thanks again.

To Whom It May Concern:

We would like to state that our experience with Hansen Monuments represented by Evie Fischer has been superlative. Our every request was handled in a very efficient, knowledgeable, and pleasant manner by your staff although we worked primarily with Ms. Fischer.

We started out with what we thought were most likely unachievable requests; however, they were always met in a positive way. We changed our requests several times and each time we found "can do" attitudes. The end result is a masterpiece of quality etching and placement, a monument that we are proud of.

Thank you.
