Student of the Month

Paxtyn Hoepner

4th Grade at Central DeWitt Intermediate School
Parents: Amanda and Cory Hoepner

Paxtyn is being recognized as Student of the Month for the kindness and positive attitude she brings to her classroom. She is an engaged student who gives her best effort and looks for ways to help others feel welcome. When a new student joined her class, Paxtyn made a point of helping her feel comfortable by explaining classroom routines and inviting her to sit with her at lunch.

Having transitioned this year from Ekstrand Elementary to fourth grade at Central DeWitt Intermediate School herself, Paxtyn understood what it could feel like to be the new student.

"We were all new students at the beginning of the year because we all came to this new school," she explained. Knowing her classmate didn't know anyone, Paxtyn wanted to show her respect and help her learn how things worked.

Her actions reflect what being a Saber means to her: "treating people how you want to be treated." She also recognizes that kindness can bring people together, sharing, "When you help others, you make more friends."

Her interest in helping others extends to her future goals, too. She hopes to become a doctor someday so she can continue to help people.

Outside the classroom, Paxtyn enjoys playing soccer and basketball. She likes the challenge soccer brings and loves playing basketball alongside her friends. She also enjoys spending time with her family playing games.

Paxtyn's thoughtfulness toward others and the welcoming example she sets for her classmates make her a wonderful representative of Saber values. Congratulations, Paxtyn, on this well-deserved recognition!
