Student of the Month

Dejah Ringo

Preschool at Ekstrand Elementary School
Parent: Josephine Patterson

We are proud to recognize preschool student Dejah Ringo as the District Student of the Month!

Dejah is a kind and caring student who consistently shows respect and compassion toward others. She brings a positive spirit to the classroom each day and is always ready to lend a helping hand to her classmates and teachers. Her supportive attitude helps create a welcoming and encouraging environment for everyone around her.

Dejah's kind heart shines through in her own words. When asked what it means to be a good friend, she shared, "Be kind, respectful, and don't be rude."

Dejah is also a student of strong character. She demonstrates honesty and takes responsibility for her actions. When challenges arise, Dejah approaches them with patience and understanding, often helping her friends work through difficult situations with kindness and maturity beyond her years.

Looking ahead, Dejah hopes to become "a helper and a mom" — a perfect reflection of the caring and compassionate person she already is.

Her thoughtful nature, integrity, and willingness to help others make her a wonderful role model for her peers. We are proud of you, Dejah, and all the great things you bring to your classroom each day!
