

SPF-Rx Project Update: Help Us Finish Strong

SPF-Rx: Strategic Prevention Framework – Prescription Drug Misuse

A community effort led by the Clinton Substance Abuse Council (CSAC) — our grant wraps up September 2026, and we need you with us.

54 Providers

Controlled-substance providers reached with one-on-one academic detailing. To sustain this progress, we're continuing to build on this momentum.

686,639+

SAMHSA Overdose Prevention Toolkits & safe-medication resources shared with residents and providers since 2022

Remember: Monitor • Secure • Dispose

1 Monitor

Keep track of your medication and take only as directed

2 Secure

Store medications out of sight, in a safe location

3 Dispose

Drop off unused medication at a local take-back site

Every household we reach makes our community safer.
