Imaging Close to Home in DeWitt

At MercyOne Genesis DeWitt, our Radiology Department is committed to providing advanced imaging services with the convenience and personalized care of a local community hospital.

Our comprehensive imaging services include:

- 3D Mammography
- CT (Computed Tomography)
- MRI
- Ultrasound
- Echocardiograms
- Bone Density Testing (DEXA)
- General X-Ray Services

As a 24/7 department, our highly trained team provides around-the-clock imaging support for the Emergency Department while also partnering closely with our growing surgical services to deliver exceptional patient care.

Need an X-ray? We welcome walk-in X-rays with no appointment required. For scheduled imaging exams, our dedicated Radiology Scheduling team is available to make the process quick, convenient, and patient-friendly.
