

FOOT HEALTH TODAY:

What is a Podiatrist? *Simply put, a Podiatrist is a Physician & Surgeon of the foot and ankle.*

Good day,

My name is Dr. Dawn Chapin and my clinic is on 11th street in DeWitt between Casey's and Happy Joe's in the same clinic with Hearing Care Services. I graduated from surgical/clinic residency in 2025 after 7 years of medical podiatric/surgical training in Philadelphia and New York City.

If you have foot/ankle pain from an injury or something much more chronic. **We offer a comprehensive set of treatments** for any foot or ankle concern you have.
