Bryant, a second grader at Ekstrand Elementary, has been recognized as the Central DeWitt Community School District Student of the Month. He has had a great start to the school year, consistently demonstrating the qualities of a positive SABER.

In class, Bryant takes responsibility for his learning by following directions, staying focused and giving his best effort. He actively participates in lessons and stays engaged in the classroom. He also enjoys helping his classmates whenever he can. His willingness to support others and lead by example makes him a great role model for those around him.

Bryant believes being a good SABER starts with being nice to others. He also says listening to others and following directions are important for success at school. His favorite parts of the school day are PE and recess, where he gets to be active and have fun with his classmates.

Outside of school, Bryant enjoys playing soccer and Gaga Ball. He also has big plans for his future and hopes to become a professional baseball player.
