Student of the Month

Cora Plumley

**4th Grade at Central DeWitt Intermediate School
Parents: Matt and Sarah Plumley**

Whether she is encouraging a classmate, challenging herself to improve, or bringing positivity into the classroom, Cora Plumley makes a difference each and every day at Central DeWitt.

"Cora is one of those students who truly brightens our classroom every single day," her teacher Mrs. Hamann said. "Her positivity is genuine and contagious, and she brings a joyful energy that lifts up the people around her."

One of Cora's most notable qualities is her quiet determination. She works hard, consistently pushes herself, and strives to do her best in all that she does. She takes pride in her growth and does not settle for anything less than her personal best.

"You should be proud of yourself every day. You should always do stuff and challenge yourself to be good at stuff and always practice all the time," Cora said. Her mindset reflects the dedication and perseverance she demonstrates in the classroom each day.

Equally impressive is the way Cora treats others. She is a compassionate and thoughtful friend who makes a conscious effort to include everyone. She is attentive to the needs of those around her and responds with kindness and empathy, ensuring others feel seen, valued, and supported. Cora believes, "You should always treat people how you want to be treated," a message she lives out daily through her actions.

Through her positivity, determination, and kindness toward others, Cora sets a great example for those around her. She is a wonderful role model for all Sabers, and we are proud to recognize her as the Student of the Month!
