

CITY OF DEWITT

YARD WASTE SIGN-UP

The City's contact solid waste hauler, Republic, is again offering weekly yard-waste collection services starting in April 1 and continuing through November. For a monthly fee of \$10.00, residents will be provided a 96-gallon cart for weekly collection of yard waste. The carts are to be set out on Wednesdays at the curb, just like solid waste and recycling.

If you want to subscribe to the service contact
