

# CENTRAL DEWITT COMMUNITY SCHOOL DISTRICT

WELTON • LOW MOOR • GRAND MOUND • DEWITT

## *Student of the Month*

### **Mason Brown**

**8th Grader at Central DeWitt Middle School  
Parents: Marc and Katie Brown**

Mason consistently demonstrates a strong commitment to helping others, a quality that guides his actions both in and out of the classroom. Each morning before the school day begins, he voluntarily gives his time to assist with setting up the middle school gym for a variety of physical education activities. He takes pride in his work and approaches each task with enthusiasm, initiative, and care.

Mason's willingness to help goes beyond completing tasks. He demonstrates strong critical thinking skills by offering thoughtful suggestions to improve equipment setup or modify activities when he identifies opportunities for improvement.

"Mason's initiative to help without having been asked, and his positive and proactive attitude is a very refreshing way to start my day," Carl Small, physical education teacher, said. "Mason is a great reminder we have great kids, doing great things, every day here at school."

To Mason, helping others is about earning respect and being a positive presence. He believes that being a SABER means showing kindness no matter what, maintaining a good attitude throughout the school day, and staying focused on learning. These values are evident in his interactions with peers and staff alike.

Looking ahead, Mason hopes to pursue a career in kinesiology so he can better understand how muscles work, stay active, and help others improve their physical health. His interests align well with this goal, as he is actively involved in archery, soccer, band, and participates in the Central DeWitt Middle School play. He enjoys being part of a team because it allows him to support and encourage younger students, reflecting his strong sense of teamwork and willingness to help wherever needed.

Mason's positive attitude, initiative, and dedication to helping others demonstrate his strong character and make him a well-deserving District Student of the Month.
