MercyOne Genesis DeWitt Welcomes You!

When recovering from a hospital stay, having access to high-quality skilled nursing care close to home can make all the difference. MercyOne Genesis DeWitt is proud to offer compassionate, comprehensive skilled care in a comfortable, healing environment—right here in your community.

Whether you or a loved one needs continued medical support after hospitalization, MercyOne Genesis DeWitt is ready to welcome you with open arms. Our dedicated team of licensed registered nurses and physicians provides 24-hour individualized care tailored to each patient's unique needs.

Seamless Transition from Hospital to Skilled Care Transferring to MercyOne Genesis DeWitt is simple. Just let your hospital care team know you'd like to continue your recovery with us, and they'll coordinate the transition. From there, our team will handle the rest—ensuring a smooth and stress-free move into our skilled nursing facility.

Comprehensive On-Site Rehabilitation Services: Physical, occupational, speech and respiratory therapy to support recovery and improve quality of life. Our care coordinators support seamless transitions throughout the continuum of care.

WE WELCOME REFERRALS FOR PATIENTS REQUIRING:

- **Medication Management**
- **IV Antibiotic Therapy**
- **Comprehensive Wound Care**
- **Chronic Disease Monitoring**
- **Post-Acute Stroke Recovery**
- **Strength, Conditioning, and More**

Specialized Capabilities: Bariatric equipment to support patient safety and mobility, close monitoring and care for patients experiencing delirium and confusion, tracheostomy care and management, and enteral feeding and nutrition services.

At MercyOne Genesis DeWitt, our goal is to help patients heal, regain independence, and return to their lives with confidence—all while staying close to family, friends, and the comfort of home.

CATHY MOREL

The entire team at MercyOne Genesis DeWitt made me feel welcome, safe and secure. The physical therapists, nurses, occupational therapists - everyone - was pleasant, positive, friendly and knowledgeable.

“Today, I’m happy to be alive, happy to be getting stronger and happy to be home living every day to the fullest.”
