Senator McMahan,

The Lee County Board of Supervisors request your help with sponsoring a legislation for a local and private for Lee County to have local sales tax options.

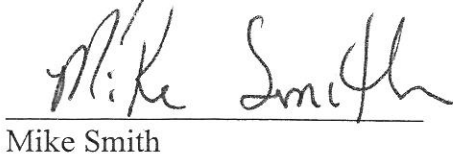

We have an immediate need for construction of a new jail and possible road repair in the near future. We would ask that the legislation require the following

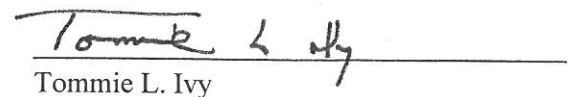

1. A majority vote from the citizens of Lee County
2. Not to exceed 3/4 of a percent
3. Vote to be held on regular county or state election, not a special election
4. Tax to be removed when debt for specified tax is paid in full

Thank you for your assistance with this matter and your service to Lee County, as it is greatly appreciated.

Respectfully Yours,

Phil Morgan
