July 28, 1948 ~ October 31, 2009

*"There's a crispness in the air reminding us that fall is upon us
as kids are preparing for trick or treat.*

*Sixteen years ago you received a wonderful treat as you left all the
pain in your earthly body behind; rising to meet your heavenly
father in a place where you no longer suffered.*

*What a joyous time you must be having reuniting will family
that went before you.*

*Your leaving left a physical hole in our lives but your love
continuously surrounds us as we go through our daily tasks.*

Until the day we are all reunited.
