

# THANK YOU!

The McGaheysville Ruritans would like to thank our community for the tremendous support shown during our recent project. Through the generous monetary donations from individuals, contributions of materials from local suppliers, and the volunteer efforts of skilled contractors, we were able to provide a new blacktop driveway and concrete sidewalk for a young McGaheysville mother and her disabled son.

This project is a wonderful example of what can be accomplished when our community comes together to help those in need. We are grateful to everyone who played a part in making this possible.
