

ENTERPRISE VFW RIFLE WINNER

SUBMITTED PHOTO

Enterprise Veterans of Foreign Wars “John Wiley Brock” Post 6683 announced that the winner of the custom-built assault rifle was Tammy Rathburn, vice president of Troy Bank. The rifle was built by Steven “Chappy” Chapman, a licensed gunsmith and VFW member. Sam Boswell was chosen to present the rifle in recognition for selling the most tickets. Half the proceeds will be used for care of veterans and their families; to serve the community; and to promote patriotism and Americanism in the greater Wiregrass region. The other half will be donated to All Breeds No-kill Animal Shelter in Daleville. Pictured (from left) are Ron Rathburn, Boswell, Tammy Rathburn and Chapman.

From Page 1A

Some ornaments were mismatched in

color and some were coordinated, but each finished ornament was as unique as the child who made it. The crafted trinkets hopefully greeted Christmas morning from the branches of families' trees.
