Do you know what your village board is up to?

Wisconsin law says it's your right to know – but that right may be going away.

Under **Senate Bill 55 and Assembly Bill 60**, school boards, city councils, village boards and county boards would no longer be required to print a summary of their actions in your local newspaper and on the statewide public notice website, www.WisconsinPublicNotices.org.

SB55 and AB 60 must be stopped.

Contact your state representative today and tell them you want your local government business to remain in your community newspaper and on the statewide public notice website.
