

Therapeutic Shared Living Provider

Extremely generous stipend of \$75,000.00+ annually plus monthly room and board payment!

We are seeking a Therapeutic Shared Living Provider for a very capable and engaging young woman in the Franklin County area to start immediately. This young woman enjoys motorcycles, farm work, the New England Patriots, trucks, and animals. Historically she has formed more therapeutic bonds with male care providers but we are open to considering anyone with good experience.

Candidates must have some experience working with individuals who have experienced mental health trauma and know how to provide emotional support and regulation. Homes without children are preferred but pets are welcome! There will be some free time/respice provided throughout your day. Must be 21+ years of age, have a High School Diploma or equivalent, clear background screenings, and have a valid Driver's License and reliable transportation. We seek someone willing and able to work collaboratively with a mental health treatment team.
