Nothing Compares To You

**We know that you love us
And we thank you so much
For everything you did for us.
Your children, Sherry,
Cheryl, Hollis, Wallace, Lenny
And Curtis promise to love
You until we take our last breaths.
Your grandchildren, who gave up
So much of their time to cherish you,
miss you all the time.**

**We cannot believe that you are
not here anymore. It hurts all the time.
We wish we could kiss you one more
time and tell you how much of a good
Mother you are.
When there is not one person who can
utter a bad word about you meant that
you are truly a beautiful person inside
and out.
The Queen of our lives forever and
ever. **
