

# CAREER OPPORTUNITY

## HUMAN RESOURCES OFFICER

A leading retail and distribution company is seeking to employ a suitable individual to oversee all aspects of the organization's human capital, including recruitment, training, employee relations, and benefits management to foster a positive work environment

### Requirements:

The person should be at least 35 to 40 years and have a bachelor's degree in a related field, such as human resources or business administration, along with a minimum 5 years of HR experience.

Essential skills include strong communication, leadership, problem-solving, strategic thinking, and a deep understanding of labour laws and HR technology.
