**Happy Birthday to our dear Dad,
Our Guardian Angel in Heaven,**

July 22, 1928 – November 7, 2007

Dear Dad,

We continue to be so grateful for your unconditional love, sacrifice, dedication and support you provided to us while you were with us.

We appreciate all the lessons you taught us.

One lesson in particular which continues to resonate is your advice on making mistakes.

You always said that mistakes are important in molding us and should be viewed as positive. They can serve as opportunities for growth and learning, providing valuable insight which shape our future actions and decisions.

For this and all your guidance, we thank you.

Continue to shine brightly in the heavens as you continue to be our spirit guide, protecting and watching over us and our families.

***Missing you ever so deeply.
Love and blessings, Gerry, Steve, Babes, Joe,
Rich and grandchildren***
