

In Loving Memory of Mickey Singh and Clarence Paramanand

*Sunrise 11th August, 1967
Sunset 15th September, 2016*

*A decade has gone by
The space you left is filled
With enduring love
And cherished memories
You are still in the hearts
Of those who choose never to let go
As part of us went with you
The day God took you home
We think of you in silence
And often speak your name
This Anniversary marks
The moment everything stopped
We hope you have found
A place with perfect peace
Until the day we meet again*

*Lovingly remembered by Mom,
Mindi, M.J. niece and nephews*

*Bradley, Avinash & Avisha, family
and friends.*

GONE TOO SOON
*You will forever be engraved in our hearts
We love and we miss you.*
