

*In loving memory of Sophia Persad*

Sunrise: December 21st 1970

Sunset: March 22nd 2025

We miss you Sophie

We thought of you with love today, but that is nothing new

We think of you in silence and often speak your name

All we have are memories and your picture in a frame

We will never part

God has you in His keeping, but we hold you close to our hearts

We miss you every day, to walk and guide us through our lives

Until we meet again

You have never been forgotten and you never will

Forever loved and remembered by:

Parents - Rosalind and Seetal

Sisters - Giovanna, Delia, Tizziana, Lai Ying and Lai Shan

Nephew - Zinedine
