*Memories are treasures  
no one can steal,  
Death is a heartache  
no one can heal  
Everyday in some small way,  
Memories of you comes  
our way  
We mourn for you in silence,  
No eyes can see us weep  
But many a silent tear is shed,  
while others are asleep  
To some you may be forgotten,  
To others a part of the past  
But to us who loves  
and lost you,  
Your memories will  
always last.*
