

# EMPLOYMENT OPPORTUNITY

## Engineering and Technical Team

### 1. Design & Technical Team Leader

- **Manage the design process:** Oversee in-house or external engineering teams (civil, structural, mechanical and electrical) to ensure designs meet project specifications, codes and standards.
- **Coordinate interdisciplinary interfaces:** Resolve clashes and ensure alignment between different design disciplines (e.g. structural beam penetrations vs MEP runs)

### 2. Construction Support & Field Engineer

- **Respond to RFIs (Request for Information):** Provide timely technical answers to construction teams when drawings or specs are unclear.
- **Manage Submittals & Approvals:** Review shop drawings, material data sheets and sample submittals from contractors and suppliers for compliance with design.

### 3. Quality Assurance & Technical Compliance Officer

- **Enforces Codes and Standards:** Ensure all engineering work adheres to applicable building codes, industry standards and client specifications.
- **Manage the Drawing Control Systems:** maintain current versions of P & IDs, civil plans, structural details and as-built drawings.

### 4. Team & Resource Manager

- **Supervise Engineers & Designers:** Assign tasks, monitor performance and provide technical mentoring to junior engineers and CAD designers.
- **Coordinate with Procurement:** Provide technical input for equipment/material specifications, vendor bid evaluations and long-lead item tracking.

### Above Applicants are required to:

- Bachelor's degree in computer science, Technology, Engineering or an Equivalent Field.
- Proven experience in International Project Environments and managing multi-disciplinary teams.
- Strong leadership skills and problem solving.
- Fluent in Mandarin language and English language.
- Police Certificate of Good Character.
- Ability to adapt to dynamic work environment.

Interested parties are required to send resumes to:

**[weavingspacecaribbean@gmail.com](mailto:weavingspacecaribbean@gmail.com)**

Pursuant to a requirement of the Government of Trinidad and Tobago, all applicants must forward a duplicate copy to the **Chief Manpower Officer, Ministry of Labor and Small Micro Enterprise Development, Duke Place 50-54 Duke Street, Port of Spain.**
