

In Loving Memory Of

*Brenda Barbara
Walker*

5/11/1940 - 5/08/2025

**We recall our memories of you with love
and gratitude.**

**You gave selflessly to all (family and the
many that you touched).**

**Your name means sword or torch. You
were a torch, lighting the way for us all;
your life was an example.**

**We miss you, but you are forever indelibly
marked on our hearts.**

***From: your loving husband, Desmond
and children: Wendell, Randal
and Tenley."***
