of Lower Rapsey Street, Curepe.

Former Vice Principal of Hillview College

Sir, Daddy, Dad and Papa:

A hardworking man of the soil, a devoted teacher
and a pillar of faith.

You were a devoted husband, honouring your wife's memory with
a love that never faded,

Carrying her spirit with you along every step of your journey.

One year has passed since the Lord called you home,
But your presence still fills our lives in countless ways.

A man of many talents - steadfast in your work,
creative in your gifts

And unwavering in your faith.

Attributes that continue to inspire us every day.

From the classroom to the fields, you taught us value of discipline,
humility and love.

Your hands shaped the earth, but your heart shaped our lives.
We remember your wisdom, your laughter and the quiet strength
that guided our family.
