

Adhriel London

4th March 1989 - 4th September 2011

*15 years since we saw your smile,
Heard your laughter, watched you dance;
The world kept moving,
days marched ahead,
Yet I remember every word you said;
Time didn't heal or even erase,
But taught me to carry your
love and faith,
Your memories still live on every day,
A beautiful constant, never going away!*

***Remembered by Mummy, Daddy,
Shadelle, Shemuel, relatives
and friends.***
