Sunrise: 09/10/1941 Sunset: 08/10/2023

We miss you more than words can say. Two years have passed, yet it feels like only yesterday you were here—your voice strong, your presence full of life. The silence left behind is felt by us all. Though you are gone from our sight, we hold on to the hope of seeing you again. Until that day comes, we will treasure the memories and the love you left with us.

Glenn Ruiz is lovingly remembered by his Brothers & Sisters, Sons, Daughters, Grandchildren, Nieces, Nephews, and friends.
