
On this All Souls' Day, we light a candle in memory of our beloved
Hester Grace Richards.
Her laughter once filled our home, and her love still echoes in our hearts.
God please give her comfort and peace knowing she is eternally in your loving arms.
We carry her with us in everything we do.
Comfort our hearts in her absence, and unite us together again one day in your heavenly kingdom, through Christ our Lord Amen!
From your loving children David & Tishaun Richards and your two loving grandchildren Vaughn and Jurnee' Richards.
