

IN LOVING MEMORY OF
Theresa Danclar

Sunrise: 13/06/1935

Sunset: 19/10/2021

We miss you deeply. The days passed quickly, turning into months, then years—right before our eyes. We cherish every moment we shared with you: the smiles, the laughter, and the love that will never fade. Until we meet again, you will always remain in our hearts and memories.
