An Unforgettable Husband & Father

Our Fine Destinies were etched in Your Imagination!

Now with our own families, your legacy lives on in Our Every Success!

We Thank You Dadsie for Loving our Mother and never leaving us behind!

In the age of 'licks', you had the foresight to lift us up and push us forward with knowledge and education instead! Thereby, creating in us a desire to Dream Big!

We Thank You Dadsie for our Toys: the doll house, bicycle, puzzles, chess, Monopoly, Scrabble & LEGO!

We Thank You Dadsie for your Love of Music and Dancing! The heavenly sound of your voice singing Bob Marley, David Rudder, ABBA and so much more.

We Thank You Dadsie for late night Window Shopping on Henry Street, Bruce Lee at the cinema, Royal Castle outings, Christmas Eve decorating & grocery shopping at Long Circular Mall topped only by Christmas Morning HAM & bread!

We Thank You Dadsie for playing your guitar to us on cold, quiet nights when the electricity went..... long after we went to bed feeling safe in the dark with 'There was an old woman who swallowed a fly.....' soothing our heads.

We thank you Dadsie for prayers, bedtime stories, books, coloured TV and the neighbourhood's first Atari and Computer!

Really the list is Never Ending!

Words will never be enough to let you know how Your Sacrifices and Love have delivered us from the Tenement Yard of Jackson Place, Round The Bridge!

Oh how We Miss you Beautiful Father, Oh how We Long to see you again Great Man,

Oh how We LOVE You, OUR Dadsie!

Forever in our hearts: From your Loving Wife Lorna.

Your Children: Frances Louise, Anthony Jr., Georgina, Agueda, Andrew, and Antonia.
