

*In Loving Memory of*  
**David Bisram**

OF NEW GRANT

SUNRISE - 17TH MAY 1949 • SUNSET - 21ST MAY 2024

Today is one year that you  
were snatched away from our sight,  
You never got the chance to say goodbye,  
And from that day we continued to cry.

We long to feel your warm embrace,  
And see your smiling face.  
You not being here with us cause pain,  
But in our hearts you will remain.

You were the best husband in the world,  
And the most loving father to your children.
