

*It's been a Decade;
but feels like yesterday!*

Sunrise: 17-05-1988 - Sunset: 03-05-2015

Ten years have gone...

But the memories of you still lives on!

The beauty of a memory, it's always here,

And I can take it with me everywhere.

As I look back over the last ten years'

I smile with tears in my eyes,

Because I had twenty-seven wonderful years with you.

Though short, the memories of you will not fade!

And though I am full of sadness,

And bittersweet pains,

I will remember the good times,

What we shared will never die!

Because Kadeem your life still lives on!

**You Will Never Be Forgotten
Not In a million years!**

*Lovingly Remembered by:
Your Mother & Family!*
