# Inserts, Stickies, Bag-Versting, Direct Mail

## Direct Mail & WePrint

We can print and mail your postcards and flyers. Depending on your needs, we can deliver your message to particular zip codes or saturate neighborhoods. We can also print your inserts and insert into multiple community newspapers including our own Fairfax County Times Newspaper.

## Stickies

This premium advertising opportunity grabs readers' attention before they even open the newspaper, increasing customer awareness and response. Custom sticky notes are easy to remove and save. They are portable and ideal for carrying your message beyond one page of the Fairfax County Times.

### PROMINENT LOCATION:

Notes appear on the front page of the publication, above the fold, providing your business' message very high visibility.

### EXCLUSIVITY:

Only one advertiser is featured at a time.

### TARGETED:

Sticky notes can be placed onto individual publications or distributed county-wide.

### REPOSITIONABLE:

Readers can remove the sticky notes and place them where they need the information; on the refrigerator, computer, shopping list, wallet, etc. Readers keep the note for future reference, which will influence sales.

### BRANDING:

Research shows that readers have a high recall of sticky note ads. Studies also show that the redemption rate is higher than bulk mail or traditional print advertising.

## Bag-Versting

Your advertisement can appear on the outside of the plastic newspaper delivery bag against a contrasting white background. It guarantees that your message will be noticed by the 100,000 homes that receive Fairfax County Times each week. Or if you prefer a more targeted approach, use the bags only in the zones of your choice.
