

DEWITT COUNTY ANNUAL MEETING

This month the DeWitt County Farm Bureau had the privilege to have their 109th Annual Meeting. What a testament to the history and deep roots that the DeWitt County Farm Bureau has. Let’s take a moment to thank the DeWitt County Farm Bureau Board of Directors for all their hard work, volunteer hours, miles travelled, time away from their families and operations all in the efforts of a bright future for the agriculture industry here in DeWitt County. DeWitt County is fortunate to have such a strong and grounded board of directors to help pave the way for this organization both for the present and for future leaders to come.

Thank you to Jack Young for his 9 years of service as the DeWitt County Farm Bureau Treasurer. Jack has been a great asset to the board of directors. He worked diligently to serve as a trusted and reliable resource to ensure the financial success of the DeWitt

County Farm Bureau. Thank you for your mentorship and strong leadership within the organization. We now welcome Steve Mayfield as the newly elected DeWitt County Farm Bureau Treasurer.

The DeWitt County Board of Directors is comprised of 13 Board of Directors and DCFB Young Leader representation. Thank you to our President – Randy Toohill, Vice President – Gene Whitted, Secretary – Belinda Carter, Treasurer – Steve Mayfield, Wynn Turney, John Klemm, Terry Ferguson, John Cooper, Jack Young, Mariah Anderson, Tom Hieronymus, Mark Nunnery, Dave Steward, and Young Leader – Braden Newman. Thank you for your years of service and willingness to make a difference in our county. The work you do both here at home and beyond does not go unnoticed. Thank you for making the DeWitt County Farm Bureau a fantastic organization to be a part of.

GOLF OUTING RESULTS

Thank you to everyone who came and supported our 2026 DeWitt County Farm Bureau Foundation Golf Outing! The rain tried to stop the fun, but these teams came to play! The Golf Outing is our largest fundraiser of the year that supports our growing Piatt-Dewitt Ag in the Classroom program and our scholarship program. Thank you for your support and generosity to the Foundation! It is because of your support that DCFB is able to create an impact both in and out of our schools!

SCHOOL IS BACK IN SESSION!

Summer has come and gone and now we begin to welcome our students back into the classroom! Before we know it our AITC Coordinator Mrs. Pam Chambers will be spending her time in the classroom teaching students about corn, soybeans, soils, cattle, trees, and so much more! Mrs. Pam has been busy all summer long preparing for her time to work with both teachers and students alike. Her time to shine is almost here and we look forward to hearing all about her lessons and adventures in the classrooms of DeWitt and Piatt County!

TRACTOR DRIVE

We are so excited for this year’s DeWitt County Farm Bureau Foundation Tractor Drive! The DeWitt County Young Leaders have been working hard for months getting all the final details situated! We look forward to sharing photos of their event in next month’s issue! All the proceeds that are raised at this event will go towards a scholarship to help a student in DeWitt County further their education within the agriculture industry! This year we are grateful

to the Central Illinois Ag facility located in Atlanta, IL for allowing our participants to park their trucks and trailers at their parking lot. Additionally, to White’s Farm Equipment for opening their shop to our crew for a halfway stop. Our programs would not be made possible without the help and support of local businesses who see the value in supporting others to help create a positive impact within the county. Stay tuned next month to see what fun was had!
