MANAGER'S MESSAGE:

Graduations are always an exciting time whether it be high school or college graduations. We want to congratulate those who have recently completed their school journey. Some may be moving on to two or four-year Universities, Colleges or trades programs. For those who are returning to the Carroll County area I encourage you to find a way to be involved in the Carroll County Farm Bureau. Our Young Leader Committee is tailored specifically to those who are 18-35 and passionate about agriculture. If you are interested in learning more, please email me, Manager Victoria Hansen at carrollcfb@gmail.com. If you are starting your college/university career, please consider becoming involved in a Collegiate Farm Bureau Chapter if your school has one. To learn more about that program visit ilfb.org/get-involved/collegiate-farm-bureau/. Farm Bureau would not be where it is today without the support of our members.
