

FFA ACQUAINTANCE DAY

When May rolls around the end of the school year is near and that means we get to enjoy another FFA Acquaintance Day with the 2 FFA chapters in DeWitt County! This year we took our program to Bloomington Normal and had 2 tours. We started the day off at Nussbaum Trucking Company and then ended the day at Heartland Community College. The students enjoyed diving into the career of long haul trucking and all the opportunities that can take shape while

being a driver or working within the industry. At Heartland Community College the students were opened to the educational opportunities that could welcome them once they graduate high school! We had a tour of the Ag Center and the students left with a parting gift of all the free plants they could carry! The perfect way to end a great day! Thank you to Nussbaum and Heartland for your open doors and eagerness to share with our DeWitt County students!

AG DAY AT THE MUSEUM

As we round out our spring season with our students, we cannot forget to share our upcoming Ag Day at the Museum! This program is the purest form of fun and organized chaos! We are looking forward to about 140 4th grade kiddos on one of their last Fridays of the school year! Thank goodness for the amazing C.H. Moore Homestead Museum volunteers, community volunteers, DCFB board members, and most importantly teachers to make this event possible!

We will have 7 stations for the students to rotate around and so much fun to all enjoy! Stay tuned for glimpses into that day!

Any fellow ice cream lovers out there looking for a fun volunteer opportunity, the ice cream stand is a great place to be! Time flies when you are blending up delicious milkshakes for the crowd to enjoy! Friday, July 31st is our DCFB Foundation Golf Outing, which is our largest fundraiser of the year! This year our golf outing will be at the Woodlawn Country Club in Farmer City. As we move into August, we have our DCFB Young Leader Foundation Tractor Drive! This year our event will be Saturday, August 29th. Our amazing group of Young Leaders works so hard on this event throughout the year. They truly do such a great job organizing this event to raise dollars for a scholarship.

Our summer season is a busy one, but it sure is fun and a great opportunity to catch up with great friends while creating good within our county! You are welcome to join us!
