St. Paul's Woodworth 3rd Graders pose with their t-shirts after a successful Camp 911 program.

CAMP 911

As coordinating sponsor of Camp 911, Ford-Iroquois Farm Bureau has been able to bring safety presentations to area elementary schools. This year, we were able to be in most of the schools in Iroquois County and GCMS grade school in Ford County. Presentations include body safety, farm safety, 911 emergencies, first aid and electrical safety. Along with safety information, third graders and teachers received some small gifts from the presenters along with a free Camp 911 t-shirt. Our goal next year is to reach every elementary school in Ford and Iroquois county to share the message of how important safety and what to do in case of an emergency is to learn at a young age.

MEET OUR SUMMER 2026 INTERN!

It's officially time to introduce our intern for this summer, Brynn Boundy! Brynn is from Melvin, Illinois and is going to be a Junior this fall at the University of Illinois Urbana-Champaign studying Agriculture Education. Her passion for agriculture began when she was a little girl, helping on the farm and raising livestock. As she grew older, she decided to join youth leadership organizations such as 4-H and FFA that helped her decide that agriculture was the place for her. She wants to teach and inspire the next generation of agriculturalists as a high school FFA Advisor.

If you see Brynn around this summer, feel free to say hi and introduce yourself. She can't wait to meet all of you!

LIFE LINE SCREENING EVENT

Did you know 80% of strokes are preventable according to the American Heart Association?

Life Line Screening provides valuable health screenings to detect the risk of stroke and cardiovascular disease. Life Line Screening will be at Ford-Iroquois Farm Bureau on Wednesday, July 29th and are offering a special screening package price. **Learn more** and schedule your appointment by calling 1-800-324-9458, texting the word circle to 216-279-1607, visit Life Line Screening's website at LLSA.SOCIAL/HABC or scan the QR Code.

There is no time like the present to take action!
