

23RD ANNUAL FUEL PROMOTION RECAP

Thank you to those who attended our 23rd annual Fuel Promotion at West Central FS on Friday, August 14th! Discounted fuel was sold from 11:00-1:00, while local celebrities, State Senator Neil Anderson, KHQA's Tegan Orpet, and Junior Miss Hancock County Fair Queen Adley Rose helped pump fuel and wash windshields. As always, thank you to West Central FS staff for their partnership and grilling pork chops, and WCAZ for providing music.

HANCOCK COUNTY FARM BUREAU MEMBER APPRECIATION

We appreciate all of our hardworking members—our farmers—and want to say thank you! In early October, we'll be serving meals at elevators across Hancock County as a token of our appreciation. Be sure to watch your email, check out www.hancockcountyfarmbureau.com, and follow us on Facebook for exact dates, times, and locations—coming your way at the end of September.

We're proud to support those who keep Hancock County growing!

NATIONAL FARM SAFETY & HEALTH WEEK

National Farm Safety and Health Week will be observed from September 21-25, 2026. This year's theme, "Safety Today, Success Tomorrow," underscores the importance of identifying and addressing the many hazards that exist in agricultural workplaces. The observance serves as a valuable reminder of the need to protect the health, safety, and well-being of the farmers, ranchers, and agricultural workers who play a critical role in providing our nation with food, fiber, and

fuel. In addition to the overall theme, each day of the week will focus on a specific safety topic, helping to raise awareness, encourage safe practices, and promote a culture of safety across the agricultural industry.

- Monday, September 21, 2026 - Equipment and Rural Roadway Safety
- Tuesday, September 22, 2026 - Health and Wellness
- Wednesday, September 23, 2026 - Generations of Farming
- Thursday, September 24, 2026 - Confined Spaces
- Friday, September 25, 2026 - Cancer Prevention

Thank You!
