

ANNUAL GOLF OUTING SUPPORTS AG IN THE CLASSROOM

The Kendall-Grundy Farm Bureau Young Leaders welcomed 104 golfers for their annual golf outing. After a weather postponement the week before, golfers were treated to perfect weather and a great day on the course.

Proceeds from the outing benefit Ag in the Classroom programs in Kendall and Grundy counties, helping provide agriculture education and hands-on learning opportunities for local students.

The Young Leaders thank everyone who golfed, sponsored, donated or helped with this year's outing. A special thank you to our Platinum Sponsors: CHS, Grainco FS, Friends to Elect Ken Briley, Compeer Financial, Artlow Systems, S&H Seed Service, Stewart Farms Partnership and Altorfer Ag. We appreciate everyone who came out and supported the Young Leaders and Ag in the Classroom!

GROWERS GATHER FOR CROP DEVELOPMENT MEETING

Kendall-Grundy Farm Bureau and University of Illinois Extension welcomed local growers for the annual Crop Development Meeting. Steve Brand, Commercial Agriculture Specialist, shared observations from the 2026 growing season, while Dr. Connor Sible discussed maximizing nutrient use with the "5th R" — the right genetics. The meeting also gave growers plenty of time to ask questions, share what they are seeing in their own fields and have an open conversation about this year's crop.

FROM THE KGFB TO OUR FARMERS

To our farmers and farm families across Kendall and Grundy counties, we wish you a safe and successful harvest. It's been a growing season with plenty of variability from field to field, and we hope the long hours and hard work put in throughout the year pay off this fall.

As the days get longer and schedules get busier, take care of yourselves and look out for one another. From all of us at the KGFB, best of luck this harvest season!

SUPPORTING LOCAL AGRICULTURE

MEMBER BENEFIT DISCOUNT PROGRAM

Kendall-Grundy Farm Bureau is working to bring even more value to your membership through our new Local Member Benefits Program. While the official launch is still to come, you can get a sneak peek at some of the local businesses already participating at kendallgrundyfb.com.

Participating businesses offer exclusive discounts and special offers to Kendall-Grundy Farm Bureau members, with more businesses and benefits being added.

Are you a local business, or know one that would like to participate? Partner with us and receive free advertising while offering a special benefit to local Farm Bureau members. Give our office a call to learn more!
