

An aerial photograph showing a large, irregularly shaped wooded area outlined by a thick blue line. The trees are mostly bare, suggesting a late autumn or winter season. A small red square marker is visible within the wooded area, near the center. To the left of the wooded area, there is a multi-lane highway with several cars visible. A road curves around the wooded area on the left side. In the bottom left corner, there is a small building and some more trees.
