5178 Ninebark Drive  
Fitchburg, WI 53711

Dear Chris Jimieson,

Congratulations! On behalf of the Recycling Program at the Wisconsin Department of Natural Resources, Aldo Leopold Elementary School is being recognized for their superior performance. Based on the nomination you submitted, the recycling program exceeded DNR expectations and provided a higher standard of service to your school. It is our pleasure to present Aldo Leopold Elementary School with the 2019 Recycling Excellence Award for Projects and Initiatives.

Please watch for media announcements of this year's awards on the DNR website, Facebook, and Twitter for America Recycles Day on or around November 15, 2019.

The Recycling Excellence Awards program is designed to encourage and reward communities and programs for outstanding efforts, innovation and performance in recycling, while providing examples of how to increase the effectiveness of local recycling programs. You can find more information on this recognition program, including a list of all the award recipients by visiting the Department's website at [dnr.wi.gov](http://dnr.wi.gov) and searching "Recycling Excellence Awards."

We sincerely appreciate your effort and hope that your dedication to excellence in recycling will continue.

Sincerely,

Joseph P. Van Rossum, Director  
Bureau of Waste and Materials Management
