Dear Parents and Guardians:

This is Julia Llapur, principal of Sunrise Mountain HS.

In an effort to keep you informed of matters happening within our school community, we wanted to make you aware of an incident that occurred at our school this morning. We received reports of a student possibly having a weapon on campus and we contacted the CCSD Police Department. The student was contacted and it was determined that he had an unloaded .38 caliber handgun in his possession as well as some ammo.

We want you to know there were no threats to the school or to any students.

Additionally, we wish to remind all of our families that no weapons, including toy weapons, are permitted anywhere on our school campus, as we take the personal safety of each and every student very seriously.

This also serves as an opportunity to remind everyone about the SafeVoice reporting system. Students and parents can also make reports through the new SafeVoice reporting system by calling 1-833-216-SAFE (7233), through the website at safevoicenv.org or through the free downloadable phone app.

If you have any concerns, questions or need school assistance, please contact me at 702-799-7207

Sincerely,
Julia T. Llapur
Principal
