

*In Loving Memory of*  
**Jordan "Jordy"**  
**Denion**

**9/25/1992 - 2/18/2013**

---

*An aneurysm of the brain took him away from us at the young age of 20, 13 years ago today.*

We wake up in the morning  
missing you.

We go to sleep at night  
missing you.

And we miss you all the  
hours in between.

---

We love and miss you dearly,  
Mom, Dad, Wes, Jacob,  
and your loving family
